

Dear Community Member;

As a previous sponsor of the Power of Photography Show we are excited to give you the opportunity to ensure your involvement with next year's show. Due to your generous involvement, last year we were able to offer prizes of \$2,400 and donate \$3,000 to ARC Gateway. This year's show will be held in conjunction with the July 2011 Gallery Night on Friday July 15, 2011.

To encourage photographer participation, we ask community members like yourself to provide awards for excellent photo entries. For as little as \$150 you can sponsor three places in a category such as Nature or People or for as little as \$60 you can sponsor a specialty award that you pick the name and criteria. A nominal portion of the amount collected is used to print a custom ribbon with the award title and your name on it. Some sponsors elect to offer more than the minimum amounts and other contributions and donations of merchandise for our silent auctions are also greatly appreciated.

As in the past we will have art exhibits, product demos, instructional seminars, and remain free to the public. In addition to the advertising previously offered, once the sponsorship is paid, we are also offering you the option of putting a link from our website to your website for one year. As a member of our club you would have access to our forums and the ability to post messages and specials.

We look forward to your returning the bottom portion of this page as soon as possible. Money collected before March 1st will be held in escrow, but to ensure all categories are covered and special awards are advertised and are not repetitive, we are asking for your commitment as soon as possible.

Thanks for your support,
Lisa Turnage and Brandi Cole
POP Co-Chairperson
